

NZLC Pathways

Pathway Student Visa

NZLC is part of the “Pathway Student Visa pilot” scheme. Students can apply to study up to 3 consecutive courses on a single student visa for up to 5 years in New Zealand, provided that those courses have an offer of place from one or more education providers that are taking part in the “Pathway Student Visa pilot”. Students will need to have an offer of place with a Pathway education provider and be able to pay their tuition fees.

NZLC has established visa partnerships with many high schools and tertiary education providers. These are some examples of NZLC pathway visa partners.
